Dear Parent,

I have seen the Lord's Hand on Cornerstone Christian School in such an amazing way over the years. He has blessed CCS with a balanced, godly school board committed to Christian education and the work of His kingdom. He has blessed our school with professional and caring teachers who are diligent and creative, and He has blessed CCS with wonderful students and families.

If I had to describe Cornerstone Christian School in just two words, they would be PRAYER and COMMUNITY. During the past twenty-seven years since CCS was founded, this commitment to prayer has been demonstrated over and over. Certainly the Lord's Hand on this school has been in response to the prayers of His faithful people. The second distinctive is the CCS community. Teachers, students, and parents work together in a way that brings honor to the Lord.

As the staff, school board, and I look forward to the years ahead, we are excited about how the Lord is leading our school. Over the past six years, we have seen a 52% increase in enrollment, we have added seven new teaching positions and two new administrative positions; and we have added a high school- beginning with a ninth grade class for the 2011-2012 school year and building to a full program over the next three years. We are blessed to see His leading, and we continue to rely on His direction and guidance. Please pray that we are obedient to His leading and that each part of our school is for His Glory!
